X2 Vibe Pattaya Seaphere offers young professional couples the chance to enjoy a stylish and sexy seafront escape with its new "Just for Two" promotion.

Perfect for urban millennials seeking a break from the city, X2 Vibe Pattaya Seaphere is nestled in a serene seafront spot just 150 metres from the beach and the glittering Gulf of Thailand, surrounded by local bars, cool cafes and an array of activities.

With so many activities on its doorstep, millennial couples have plenty of opportunities to reconnect with each other and stay fit and healthy.

For just Bt2,000-plus per room per night, the "Just for Two" promotion offers accommodation with cutting-edge design, panoramic views and modern amenities plus all-day dining at the rooftop 4K Cafe.

"Whether you want to chill with the sand between your toes or get out and explore the local area, X2 Vibe Pattaya Seaphere has something for you. With the launch of our "Just for Two" promotion, we look forward to welcoming many more young couples to our resort in 2018," says general manager Somchai Suwannagate.

Adventurous travellers seeking a more active getaway can head out and explore the scenic seafront area. Not far from the hotel, guests can discover a collection of romantic beachfront bars and cafes, or enjoy exhilarating activities such as kite-surfing, snorkelling, scuba diving and cycling. Silverlake, the Tuscan-style vineyard, is just a short distance away, offering tours, tastings and romantic meals, and of course, the bright lights and vibrant nightlife of Pattaya are just moments from the hotel.
