With its outdoor swimming pool, fitness centre, the hotel is a haven for health fanatics, but **X2 Vibe** takes it one step further with a relaxing Japanese urban Onsen, and an immaculate putting green where golfers can hone their short game before heading out to one of the many nearby courses. Perfectly complementing the Onsen, a day spa is also offered where travellers can reach the perfect balance of body and soul for the ultimate escape in the midst of the bustling city.

As a brand we don't compromise on the design or quality of our product. We offer facilities like the Onsen, gym, and meeting rooms which set new benchmarks in local hospitality," explained **Alexander Parry**, VP of Operations. "We see the city hotel concept has received great feedback, so we will be looking to open more **X2 Vibe** in other cities soon."
